GENERAL AND REVENUE SECRETARIAT

Serial No. 14

Part B for July 30

SUBJECT.

Investment of the Surplus Funds of Local Bodies in Government Savings Banks.

21.15). The Revenue Commissioner in Mysore, the Presidents of District Boards through the Deputy Commissioners of Districts; the Deputy Commissioners of Districts; the Comptroller to the Government of Mysore and the President, Sanitary Board, K.G.F

No: L. 939-57 dt 25-7-30.

Government consider that the arrangements now made by Local Bodies in investing their surplus funds at lower rate of interest in the Mysore Bank is not profitable to them and that they would do well to transfer the amounts to the five years fixed deposit under the Government immediately after the present deposits mature and requests the Presidents of Dt Boards, the Deputy Commissioners and the Presidents of the Bangalore and Mysore City Municipal Councils to submit a report of action taken -

11/9/31

Letter No. 983/S.L., dated 21st November 1929, from the Comptroller to Government, to the Financial Secretary to Government.

I have the honor to invite kind reference to Government Order No. G. 3290/Medical 75-29-2, dated 14th September 1929 according to which, Government have approved of the sum of -- Rs. 11,000/- ay the credit of the Countess of Dufferin Fund being kept as a Fixed Deposit in the Mysore Bank. On enquiry of the Senior Surgeon, I understand that it has been fixed up in the Mysore Bank for two years at 5% interest and that it is not therefore possible to withdraw it now and keep it in the Treasury as a 5% Fixed Deposit.

I would suggest the desirability of this sum and other similar sums remaining in the hands of Government Officer, being required to be kept in the Treasury as 5% Fixed Deposits.

- - - - -

Financial Secretary's order.

Let me see the file. The decision of the Council arrived at on the 15th instant was that as far as possible funds of local bodies and quasi-public institutions should ~~be~~ continue to lodge in the Treasury, reasonable interest being paid on the balances whenever necessary and that the existing sanction permitting the depositing of such funds at interest in the Mysore Bank and elsewhere should be re-examined with a view to taking ~~further~~ necessary further action to give ~~it~~ effect to the abovedirection

are made by Local Bodies for investment in the Mysore Bank in Fixed Deposits. This is perhaps due to a higher rate of interest being allowed by the Bank than the Government. ~~Village panchayets are also allowed~~ and advances being made on inadequate security of such deposits. In the Case of the Kolar District Board when they wanted to invest their surplus income derived from Railways ~~it was~~ in the Mysore Bank it was ordered that the amount may be invested in Mysore Five-Fixed Deposits and that the Board would be allowed to withdraw the amount when it is found absolutely necessary. (Vide G.O. No: L3312-13-L.B.24-29-34 dated 8.11.1929). And that interest be paid at Savings Bank current deposit rate. ~~By~~ of this Concession to other Local Bodies, who have investments in Fixed Deposits in Banks other than the Govt. INVESTMENT OF SURPLUS FUNDS OF LOCAL BODIES.

45 Under the existing rules vide Section 53 of the Municipal Regulation, Section 62(2) of the District Board Regulation and Section 35(3) of the Village Panchayet Regulation, surplus funds of Municipalities, District Boards and Village Panchayets may, subject to sanction of Government, be invested at interest in the Government Treasury or in the Mysore Bank. Deposit of Village Panchayet Funds in Co-operative Societies is also permissible. As suggested in my noteu of 3rd December 1929, the instructions given in Council on 15th November 1929 may be kept in view in disposing of future applications for investment of funds of Local Bodies.

46 From the papers in the file it will be seen that eleven Municipalities, the Bangalore District Board and the Kolar Gold Fields Sanitary Board have kept fixed deposits in the Mysore Bank. The Mysore City Municipality and the Tumkur Municipality have fixed up their deposits at 4½ per cent while the Bangalore City Municipality realises interest at 5 per cent. The rate of interest obtained in other cases has not been mentioned.

it would be a loss to the Local Bodies to deposit their surplus funds in the Mysore Bank at a lower rate of interest. I think it is necessary to advise all the Local Bodies which have fixed up amounts in the Mysore Bank at less than 5 per cent, to transfer them immediatel after their maturity to the Government Treasury to be deposited under the Five Year Fixed Deposit Scheme. There is provision under the rules for the return of the deposit before the expiry of the five years in cases where such accommodation is necessary.

45 As regards Village Panchayets, the reports show that the bulk of their balances are kept in the Government Savings Bank and no further action is called for in this behalf.

During my tour in this (Kolar) District, it has occurred to me that the villagers need to be encouraged to grow cocoanut avenues in their villages. For this purpose, it may be necessary to authorise Deputy Commissioners to utilise the discretionary grant placed at their disposal. Also, they should be given complete freedom to make whatever use they like of this grant fit, provided of course it is for a public purpose and the expenditure is covered by regular vouchers.

Letter No.C.201/29-30 dated 23rd/25th November 1929, from the District Economic Superintendent, Bangalore District, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

I beg to submit herewith a statement of expenditure incurred in connection with the organisation of the Village Panchayet Court at Mysore.

You may kindly note therein that a sum of Rs.1400/- has to be incurred over and above the sanctioned allotment. This has been found unavoidable in view of the fact that the pendal and the decorating charges alone came to Rs.1,448/- while the sanctioned amount for the pendal is only Rs.800/-. Another sum of Rs.600/- has to be incurred for the production of the film and for payment of hiring charges for projector etc., for screening the film freely in the cinema Hall. These expenses were not anticipated, while obtaining the Government orders for organisation of the Court at Mysore. I request that orders may be obtained early in the matter of extra sanction.

I may be permitted to add that the sum of Rs.3,500/- which is now available with you may be used for payment of bills that are sent herewith, or the amount may be left at my disposal to meet al least the urgent bills first. Anyhow, I request that the bill for the pendal may be paid, after obtaining Government sanction for additional expenditure. He has charged heavily and he can afford to wait some time longer. So also the Government Industrial School bill of Chennapatna may wait, till orders of Government are obtained for additional grants. The rest of the bills may kindly be paid immediately.

With your permission I may suggest that 900 sets of wall posters printed in this connection and which are now available with me, may be sold to Panchayets at Rs.1-8-0 per set, to meet the additional expenses incurred. I await your kind instructions in the matter.

CHIEF SECRETARY, 6 JAN. 1930

SIR,

With reference to your D.O. letter No.L.4816/V.P. 50-29-4 dated the 26th December 1929 requesting to be informed of the amount available under the head "Rural Reconstruction - Contingencies" in the current year's allotment, I have the honour to state that Government having sanctioned in their order No.L.3845-6/V.P. 25-29-14 dated 29th November 1929 the expenditure of Rs.7,000/- for the preparation of special films etc., no funds are available out of the grants already made under Rural Reconstruction - Contingencies. At the time it was recommended that the expenditure in question may be debited to this head, it was proposed to withdraw some funds out of the allotment already made to the Districts, but the Deputy Commissioners of Districts have stated that it is not possible for them to surrender any portion of the grants already made to them. In addition to the allotment of Rs.1,400/- now applied for, a sum of Rs.1,300/- has to be made available immediately for meeting a portion of the expenditure of Rs.7,000/- sanctioned by Government in their order referred to above.

2. In these circumstances, I beg to suggest that the expenditure of Rs.1,400/- may be met out of the savings effected by the abolition of the post of Village Panchayet Inspectors in the Kolar and Chitaldrug Districts, ordered in Government Order No.L. 1041-50/V.P. 45-28-6 dated 6th August 1929. These charges being met out of the special grant there is no objection to treat the

Correspondence received from the Deputy Commissioners of Districts intimating the investments of surplus funds made by the several Village Panchayets in their respective Districts.

Order No. L

Section 53 of the Municipal Regulation and Section 62 of the District Boards' Regulation authorise the Municipal Councils and District Boards to invest their surplus funds in the Mysore Government Savings Bank or with the sanction of Government in any other Bank or in Securities of the Government of India or Government of Mysore or other approved securities. Section 35 of the Village Panchayet Regulation authorises the Village Panchayets to invest their funds in the Government Savings Bank or with the approval of the Deputy Commissioner in a Co-operative Society or approved Bank or in Government or other approved securities.

2. Information received from the Comptroller and the Deputy Commissioners of Distficts discloses, that the bulk of the Village Panchayet Fund is kept in the Government Savings Bank and that the Bangalore District Board and the Kolar Gold Fields Sanitary Board have kept their fixed deposits in the Mysore Bank. The Mysore City Municipal

Council and the Tumkur Town Municipal Council have invested a part of their surplus funds in fixed deposits at 4½ per cent, while the Bangalore City Municipal Council have invested at 5 per cent in the Mysore Bank.

3. Under the five year fixed deposit scheme, Government allow 5 per cent interest and the rules provide for the return of the fixed deposit before the expiry of the five years where such accommodation is necessary. Government consider that the ~~(Local Bodies)~~ arrangement now made by Local bodies in investing their surplus funds at lower rate of interest in the Mysore Bank is not profitable to them and that they would do well to transfer the amounts to the five year fixed deposit under the Government immediately after the present deposits mature.

4. The Presidents of District Boards, Deputy Commissioners of Districts and the Presidents of the Bangalore and Mysore City Municipal Councils are requested to submit a report of action taken in the matter at an early date.
